## ***LISTENING TO YOU***

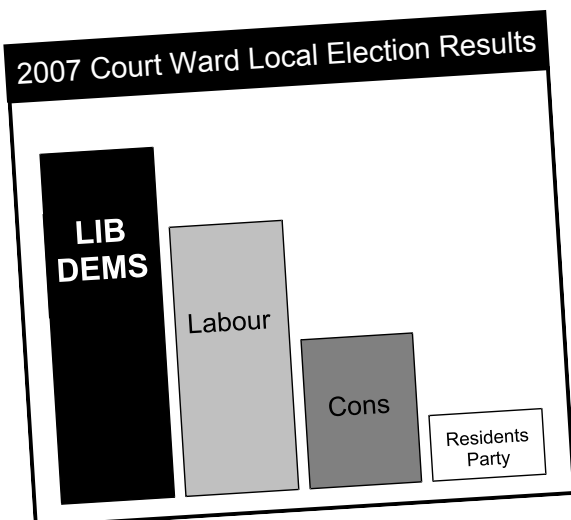

**Julia Kirkland** joined your other Lib Dem councillors at the Concorde Hall in Horton Hill for the January **FOCUS** Advice Surgery

*L-R: Cllr David Morgan, Julia Kirkland, County Cllr Colin Taylor, Cllr David Buxton*

As well as talking to local residents who attended the advice surgery, Julia and your local councillors also discussed action on street lights, the Sefton Arms and the Hollymoor Lane redevelopment and how best to keep up the pressure concerning adoption issues in Livingstone Park. Julia also attended January's Court Community Partnership meeting.

**Remember to vote for Julia Kirkland on 26th February – she needs your support to carry on progressing all these and other Court ward issues.**

*The results from the local elections in 2007 clearly show that the choice in Court Ward is between Labour and your Lib Dem FOCUS team. If anyone tells you differently, they're not being honest!*

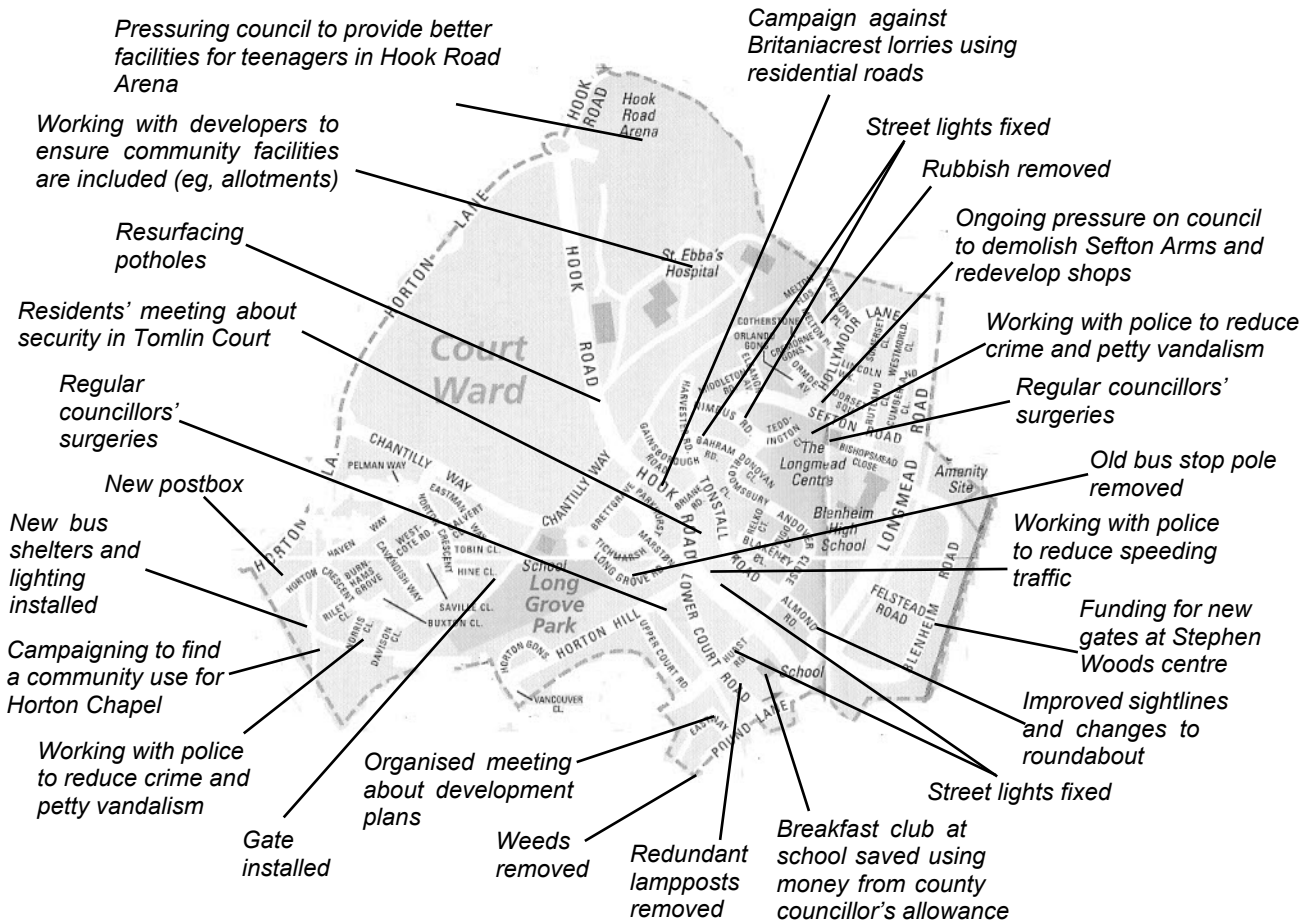

*Everyone knows that the Conservatives and the Residents' Party cannot win round here. So....*

# FOCUS ACTION

These are just some of the many issues (big and small) that your Lib Dem councillors have worked on since they were elected

But there's still plenty to do, so...

## DON'T LET LABOUR RUIN IT NOW!

**THREE  
GOOD  
REASONS  
TO  
SUPPORT  
JULIA  
KIRKLAND  
ON FEB  
26th**

- ① ***Julia is committed to the people of Court Ward. She is Chair of the Governors at a local primary school and has been involved in many local campaigns.***
- ② ***Only the Liberal Democrats can beat Labour in Court Ward. The Conservatives and Residents' Party candidates cannot win here.***
- ③ ***The FOCUS newsletter is delivered regularly to local residents - it keeps you in touch and asks your views. When was the last time you heard from the Labour Party? Was it the last time they wanted your vote?***
